PRESIDENT STOREY TO TOPEKA

Santa Fe Head Here for Agricultural
Conference January 10-11.

President W. B. Storey, of the Santa Fe, is coming to Topeka for the fifty-second annual state agricultural conference, January 10 and 11. In a letter to J. C. Mohler, secretary of the state board of agriculture, President Storey states that he is planning to come to the meeting and will discuss transportation matters.

"I agree entirely with the idea that we can accomplish more by talking these things over together than we can by means of writing," President Storey said. "I shall be very glad to hear what ideas are brought forward, what complaints may present themselves and if there are any constructive ideas we may follow."

WEALTHY DEPUTY SHERIFF ORDERED TO PENITENTIARY

Jacob Klein.

Jacob Klein, millionaire deputy sheriff of Du Page county, has lost his right to keep out of the Illinois state penitentiary for the murder of Leo Neumann. In his trial Klein claimed that he shot in the air to frighten Neumann, a speeder, but the bullet went through the rear end of the auto and killed him.

COUNTY SUPERINTENDENTS

Short Gap Period To Be Filled in 105 Counties in State.

Kansas county commissioners will appoint county superintendents of public instruction in all of the 105 counties of the state for a two months' period when they meet in January. The appointments are made necessary under a law passed in 1921, which provides that the term of county superintendents shall begin July 1 of the odd years instead of May 1.

The new law leaves a two months' gap in the term of the superintendents. It is likely that where new officials have been elected that they will be given the place for the short term.

WAS EARLY KANSAS SETTLER.

Mrs. Dickerson, Dead at Marion, Was Relative of President Harrison.
Marion, Kan., Dec. 29.—Mrs. Hannah Harrison Dickerson, 91, wife of the late Thomas Dickerson, is dead at her home here. Her mind was strong and clear to the last and she insisted upon doing most of her housework to the end, cooking the evening meal herself Wednesday evening. She came to Kansas in 1871 from Iowa, where they had lived a few years, and settled first in Osage county. In 1872 they came to Marion county and settled on a homestead near Marion.

Mrs. Dickerson was a third cousin of President Benjamin Harrison and her husband was a second cousin of President Harding. She leaves seven children: Judge J. T. Dickerson, of Edmond, Okla.; Mrs. B. C. Hastings, of Seattle, Wash.; the Rev. Avery Dickerson, of Cuba, Ill.; Mrs. E. M. Rider, of El Dorado, Kan.; and Mrs. L. F. Keller, John F. Dickerson and Mrs. W. W. Koch, of Marion, and many grandchildren.

Getting Rid of a Stubborn Cough is Child's Play Now

Make the Medicine Yourself at Home—It's Cheap—But You Can't Beat It.

If you want to take care of that bad, hacking cough and do it in a few hours, better get one ounce of Parment (double strength) and mix a half pint at home. You can do this in two minutes by adding a little sugar and enough water to fill a half pint bottle. You'll travel the world over before you get a medicine that will act so surely and quickly on the mucous membrane of the nose and throat. It halts the inflammation, the tickling sensation stops with the first spoonful, the heavy breathing goes and clean membranes, free from irritation and mucus follow.

For Catarrhal conditions such as mucus droppings, clogged nostrils and watery eyes, it won't disappoint—ask for Parment (double strength). Speak plainly so that the druggist will know exactly what you want.—Adv.
